 **THREE RIVERS
DISTRICT COUNCIL**

Welcome to the 2014 summer activity brochure. A busy few weeks lie ahead and, when school breaks up, why not get out and about and enjoy all the district has to offer.

"I have an amazing time at Play Rangers, there's always something different to do"

Free swimming and free gym sessions return for the holiday and the newly refurbished swimming pool at Rickmansworth School has been added to the list of venues.

Playscheme bookings open on 10 June and this summer will take place in three locations. Three Rivers District Council playschemes are all Ofsted registered and are a great way for children to enjoy a wide range of free play whilst making lots of new friends.

Play Rangers will be at an open space near you and have lots of exciting new activities for young people to experience!

For children who like to know exactly what's going on in the great outdoors, there are a number of cool nature activities taking place in our magnificent parks. So get out your magnifying glass for some real life creepy crawly action!

Extreme sport is an exhilarating activity and with the opening of two new parkour sites and our annual Skate Jam, there is no shortage of thrill and action.

Tennis is a key attraction this summer. All the tennis courts in Three Rivers provide a free facility for residents to simply turn up and play. In addition, a number of more organised tennis events are being run and full details can be found in the brochure.

As you will see, this issue is absolutely packed with things for young people to enjoy. So however you like to spend your free time, there's something for everyone to do this summer!
